ANALYSIS OF PROPOSED UI LAW CHANGE
Various Minor and Technical Changes

1. Description of Proposed Change

The department proposes several minor and technical changes to chapter 108, as follows.

- a. Congress repealed the federal Workforce Investment Act of 1998 (“WIA”) and replaced it with the federal Workforce Innovation and Opportunity Act (“WIOA”). The department proposes to update the references in chapter 108 from WIA to WIOA and to include language to obviate the need to update the statute if WIOA is repealed.
- b. Under s. 108.04(17)(e), a school year employee employed by a government unit, Indian tribe, or nonprofit organization is ineligible for benefits during the summer between two school years if there is a reasonable assurance that the employee will perform those services in the second school year. The statute omits a reference to “Indian tribe” in one instance. The department believes that the missing reference to “Indian tribe” is a drafting error and proposes to insert “Indian tribe” where it is missing.
- c. The previous UIAC agreed bill, 2015 Act 334, modified certain provisions in s. 108.04(8), related to suitable work. A cross-reference in s. 108.04(7)(e) was not revised to reflect the changes to s. 108.04(8). The department proposes to correct this error.
- d. Previously, the department paid all unemployment benefits by paper checks. Currently, the department pays about 80% of benefits by direct deposit, about 20% by deposit to debit cards and less than 1% by paper check. The department proposes updating the statutes to replace references to checks with issuance of payment.

- e. The previous UIAC agreed bill, 2015 Act 334, provided for electronic delivery of decisions as an alternative to mailing decisions to parties. The department proposes to revise other statutes in chapter 108 to provide for optional electronic delivery of other department determinations and notices.
- f. The previous UIAC agreed bill, 2015 Act 334, created provisions to permit appeal tribunals to issue decisions regarding a party's failure to appear at hearings without holding a hearing on the party's failure to appear. The amended statutes do not clearly state that the appeal tribunal should dismiss the appeal if the appellant lacked good cause for failing to appear and that the appeal tribunal should issue a decision based on the original hearing record if the respondent lacked good cause for failing to appear. The Legislative Reference Bureau recommends amending these statutes to confirm the department's interpretation of these statutes: the appeal tribunal should issue a decision (1) addressing whether the party had good cause for failing to appear; and (2) dismissing the appeal (if the appellant failed to appear) or deciding the case based on the original hearing (if the respondent failed to appear).
- g. If a state has outstanding federal loans for two or more consecutive years as a result of borrowing in order to pay state unemployment benefits, employers' federal unemployment tax (FUTA) credit will be reduced.¹ This is known as the FUTA credit reduction and results in employers paying additional federal unemployment taxes. The federal government applies the additional federal unemployment taxes to the state's loan balance. After the state's federal loan is repaid, the federal government remits the excess amount of additional federal unemployment taxes, if any, to the state. The state must

deposit the funds into the state's unemployment trust fund.² The Legislative Fiscal Bureau recommends a law change so that state law aligns with federal law so that any excess FUTA credit reduction payments made to Wisconsin in the future will be deposited into the balancing account.

h. In lieu of layoffs, employers may reduce employees' hours under a work share plan that results in a pro rata payment of unemployment benefits.³ The department recommends the following changes to the work share statute:

1. Vacation, holiday, termination, and sick pay should be treated as hours for the purposes of calculating an employee's work share benefit. This is similar to current law for regular benefits.
2. The department shall disregard discrepancies of less than 15 minutes of work reported, which is similar to the disregard of \$2 of wages earned in a week for regular benefits.
3. The department shall treat missed work available for work share employees similarly as claimants applying for regular benefits so that work share employees are not paid greater benefits when missing work with a work share employer.

i. Section 20.445 contains various provisions related to the appropriations of funds for the department. The department's Office of Policy and Budget recommends that the appropriation language for the unemployment interest payment fund and the unemployment program integrity fund be amended. The amendments will convert these

The department also proposes a fiscal provision to add 5.0 positions, to be compensated from the program integrity fund. These staff will conduct program integrity activities, investigate concealment, and investigate worker misclassification.

2. Proposed Statutory Changes

Section 20.445 (1) (u) of the statutes is amended to read:

(u) *Unemployment interest payments and transfers.* ~~From~~ All moneys paid into the unemployment interest payment fund under s. 108.19 (1q), ~~a sum sufficient~~ to make the payments and transfers authorized under s. 108.19 (1m).

(c) or (d). If a termination of coverage is based on an employer's application, it shall be effective as of the close of the quarter in which the application was filed. Otherwise, it shall be effective as of the date specified in the notice of termination.

Section 108.04 (7) (e) of the statutes is amended to read:

Paragraph (a) does not apply if the department determines that the employee accepted work which the employee could have failed to accept under sub. (9) and terminated such work within the first 30 calendar days after starting the work. Section 108.062 (6) (a) of the statutes is amended to read:

Except as provided in par. (b), an employee who is included under a work-share program and who qualifies to receive regular benefits for any week during the effective period of the program shall receive a benefit payment for each week that the employee is included under the program in an amount equal to the employee's regular benefit amount under s. 108.05 (1) multiplied by the employee's proportionate reduction in hours worked for that week as a result of the work-share program. Such an employee shall receive benefits as calculated under this paragraph and not as provided under s. 108.05 (3). For the purposes of this paragraph, the department shall treat amounts paid for holiday pay, vacation pay, termination pay, and sick pay as hours worked. In applying this paragraph, the department shall disregard discrepancies of less than 15 minutes between hours reported by employees and employers.

Unless an employee receives holiday pay, vacation pay, termination pay, or sick pay for missed work available under a work-share program, the department shall treat the missed work that an employee would have worked in a given week as hours actually worked by the employee for the purpose of calculating benefits under sub. (6).

The respondent may, within 7 days after the appeal tribunal electronically delivers or mails the appellant's explanation to the respondent, submit to the appeal tribunal a written response to the appellant's explanation. The appeal tribunal shall electronically deliver or mail to the appellant a copy of the respondent's explanation. The appellant may, within 7 days after the appeal tribunal electronically delivers or mails the respondent's explanation to the appellant, submit to the appeal tribunal a written response to the respondent's explanation.
