### Card Usage Tips:

**Gas Stations:** When purchasing gasoline at a gas station using the pay-at-the-pump option, a maximum hold of \$75 will be placed on your account to initiate your transaction. This amount will be held until the actual transaction amount clears. If you do not want funds held while waiting for the transaction to clear, please pay the cashier inside for your gasoline purchase. Payments made inside clear for the actual transaction amount immediately.

**Restaurants, Salons and Other Services:** Prepaid card transaction posting amounts may vary. Most restaurants, salons and other services where you typically tip may temporarily add approximately 20% to your bill to cover the tip. Make sure your balance can cover the 20% or your transaction will be declined.

**Hotels:** When making travel reservations with a hotel or similar merchant, ask for the amount of the authorization they will send to your account. These merchants may send an initial authorization amount equal to your entire stay or rental period, plus taxes and incidentals, even though your actual purchase will be weeks or months away.

**Track your Balance:** It is always important to know your balance before you make a purchase or cash withdrawal and to keep track of your remaining balance after these transactions.

Your funds are eligible for FDIC insurance. Your funds will be held at U.S. Bank National Association, an FDIC-insured institution, and are insured up to \$250,000 by the FDIC in the event U.S. Bank fails. See [fdic.gov/deposit/deposits/prepaid.html](http://fdic.gov/deposit/deposits/prepaid.html) for details. No overdraft/credit feature.
