

We have automatically established a benefit year for you based on the wage information reported to the department by your employer(s) for the base period 01/01/10 through 12/31/10. For information on withdrawing, call a Claims Specialist within 7 days.

Review this information carefully. If an employer is missing, or the wages listed are incorrect, or you worked out-of-state, or you were paid Workers Compensation during the base period, call a Claims Specialist on or before 06/23/11. If you are a student, self-employed, or receiving retirement benefits, call a Claims Specialist.
